

Roller Coater Glue Spreaders

24" Glue Spreader

48" Glue Spreader

*63" Glue Spreader, 6" opening
with Motorized Vertical Adjustment*

Quick Machinery Company offers a line of high-quality, low-cost, easy-to-use Roller Coater Glue Spreaders.

Our Glue Spreaders are available with either three rolls for top-only application, or with four rolls for top-and-bottom application (a four-roll Spreader can also be used for top-only application).

QUICK Glue Spreaders feature grooved SBR rubber-covered glue rolls (other roll materials are also available) that are acid and heat resistant and very durable. Smaller Spreaders (17" and 24" wide) have chrome-plated doctor rolls, and larger (36", 42", 48", 54" and 63" wide) Spreaders have hardened rubber-covered doctor rolls.

Standard vertical opening is 1.75", with 6" opening available.

Standard fixed feed rate is 80 feet per minute, with a variable feed rate of 40 to 118 feet per minute available as an option.

All of our Spreaders include roll guards (covers) and safety bar emergency stop systems.
